B U I L T O N T H E S T R A T E G Y

The annual plan turns Alex's four pillars into a rotation that the Sara² team can execute consistently across *both regions*.

Each month balances the four pillars. The Two-Region Read anchors the franchise. BoC announcement weeks add reactive same-day posts read through both regional lenses. The result is a year of content that no single-province broker can credibly run.

CONTENT MIX — THE FOUR PILLARS

PILLAR	SHARE	CONTENT TYPE
Market Intelligence — Two Regions	35%	Atlantic vs Ontario analysis, rate comparisons, market conditions.
Authority & Education	30%	Industry expertise, mortgage mechanics, financial planning angle.
Team — Sara ²	20%	Team depth, coordination stories, why a specialist team matters.
Social Proof	15%	Cross-region client wins, relocation stories, investor case studies.

The Two-Region Read. Monthly. LinkedIn primary, adapted for Facebook and Instagram. One mortgage question, answered through the lens of both Atlantic Canada and Ontario. The anchor that defines the year.

Each month's topic stack, locked to the pillar rotation. BoC weeks add a reactive same-day post (highlighted). Each post is built around the two-region lens, even when the focus is authority, team, or social proof.

PERSONAL CONTENT PRINCIPLE

Family, dogs, travel, sports. Used sparingly, only when it adds warmth to the message. Never forced into a post that's about something else. The personal touch lands harder when it stays rare.

Two platform streams, *each with its own discipline.*

Facebook and LinkedIn share content. Long-form, professional, referral-oriented. Instagram runs separately with a warmer visual treatment.

FACEBOOK + LINKEDIN

CTA ROTATION

Email (alex.spicer@premiermortgage.ca) is the primary CTA for ready-to-talk posts. Website is the CTA for educational content. Phone is never used as the CTA.

WHAT THIS PLAN AVOIDS

The patterns that would erode the *two-region positioning*.

The decisions about what not to post are as important as the plan itself.

OFF-BRAND FOR ALEX

- ✗ Single-province content that any Atlantic or Ontario broker could write
- ✗ Generic "mortgage tips" without the two-region layer
- ✗ Team content that feels like corporate headshots
- ✗ Anything that could be confused with another broker's feed
- ✗ Phone number as a CTA. Alex uses email.

THE FILTER

Before any post goes out, the question is the same. Does it read through the two-region lens, or could a single-province broker have posted it? If it's the second one, it doesn't go.

single-province broker
can *credibly run*.

Two regions. One team.
