The annual plan turns Danny's four-week cycle into a year of *specialist content* for Port Perry and beyond.

Each month follows the same rotation. Condition Free anchors. Rocky provides warmth. Education builds long-term authority. Google SEO captures search. BoC weeks always run through the condition-free lens.

CONTENT ROTATION — THE FOUR-WEEK CYCLE

WEEK	TYPE	FOCUS
Week 1	<i>Condition Free</i>	The signature series. LinkedIn primary anchor, Facebook adapted version.
Week 2	<i>Rocky + Local</i>	Rocky moment paired with community or Port Perry / Kawartha content.
Week 3	<i>Education</i>	FHSA or Reverse Mortgage, alternating monthly.
Week 4	<i>Rocky + SEO</i>	Rocky paired with a Google SEO piece, published separately for search.

BoC weeks. *Condition-free lens always. The Week 1 anchor becomes the BoC response. Rate movement, deal mechanics, what waiving conditions really means.*

⚠ **Platform Note.** Danny does not post on Instagram. Facebook for community, LinkedIn for referral, Google for search. That is the full distribution.

FHSA and Reverse Mortgage

alternate monthly.

Each quarter deepens the topic. Education builds the long-term authority that turns followers into clients.

MONTH	FOCUS	TOPIC
June	<i>FHSA</i>	FHSA + HBP. How the two stack together for Ontario first-time buyers.
July	<i>Reverse Mortgage</i>	"Reverse mortgages aren't a last resort. Here's how one client used one to help their adult kid buy their first home."
August	<i>FHSA</i>	FHSA for self-employed buyers in Ontario. Contribution strategy when income fluctuates.
September	<i>Reverse Mortgage</i>	"What CHIP actually covers and doesn't cover. The real numbers."
October	<i>FHSA</i>	"If you haven't opened your FHSA yet, here's what you've missed and how to catch up."
November	<i>Reverse Mortgage</i>	"Why I talk about reverse mortgages with clients in their 50s, not just their 70s."
December	<i>FHSA</i>	Year-end FHSA deadline. Last chance to maximize 2026 contribution room.

THE METHOD

Two specialties, alternating cadence. By December, the audience has heard Danny on FHSA four times and reverse mortgages three times. *That's specialist authority being built post by post.*

Every market post reads like it was written from *Port Perry*, not from a Toronto condo.

Three concentric circles. Port Perry first. Kawartha and Durham second. Broader Ontario where it serves a deal.

- Seasonal cottage country rhythms. Spring market, summer slowdown, fall buyers, winter quiet.
- Community ties. Local events, Port Perry geography, Kawartha Lakes references.
- Buyer profile. Move-up buyers, rural properties, recreational property considerations.
- Durham and GTA reach where it serves a deal, never as a default voice.

PLATFORM DISTRIBUTION

Three platforms, *three roles*.

Each platform plays to its strengths. Facebook for community. LinkedIn for referral. Google for search.

FACEBOOK

Community reach

Rocky content, local market updates, reverse mortgage education in plain language. Where Danny's neighbours and local clients are.

LINKEDIN

Referral network

Condition-free series in full technical depth. FHSA professional angles. Where the realtor and financial advisor network lives.

GOOGLE

Search intent

Evergreen SEO. Reverse mortgage explainers, FHSA guides, condition-free FAQs. Port Perry + Kawartha Lakes keywords throughout.

⚠ **No Instagram.** The plan does not include Instagram content. Danny's audience does not live there, and the content style fits Facebook, LinkedIn, and Google.

HASHTAG PROTOCOL

- **Facebook + LinkedIn.** #DannyBellMortgages + #ChoosePremiere + 2 topic-relevant tags (4 maximum).
- **Google.** No hashtags. Contact info only. Keywords carry the SEO weight.
- **Critical.** Never #PremiereMortgage. Always #ChoosePremiere.

WHAT DANNY NEVER POSTS

What Danny doesn't post is as important as what he *does*.

The decisions about what not to post are as important as the plan itself. These are the patterns that would pull Danny away from the specialist lane.

OFF-BRAND FOR DANNY

- ✗ Generic GTA or Toronto content that could belong to any Ontario broker
- ✗ Rate comparison charts without Danny's interpretation layered on top
- ✗ "Best rate" or urgency language
- ✗ Motivational real estate quotes
- ✗ Lifestyle or aspirational fluff
- ✗ Bank bashing or direct competitor comparisons
- ✗ Anything that sounds like a corporate bank's marketing
- ✗ Rocky used for serious content or as the punchline
- ✗ Personal life content beyond grounded, genuine moments

THE FILTER

Does this sound like a broker who actually understands condition-free deals, FHSA strategy, and reverse mortgages, or could any Ontario broker have posted it? If it's the second one, it doesn't go.

2 0 2 6 P L A N

A year of *specialist* content.

Condition Free. FHSA.
Reverse Mortgages.
Port Perry-first, every month.
