Seven months. Two platforms.
One Halifax voice.

WITH YOU • EVERY STEP OF THE WAY

THE YEAR AT A GLANCE

Seven months. *One Halifax voice.*

Two platforms. Facebook is the home base. Instagram is the visual companion. Every post passes The Filter before it goes up.

THE FILTER

Does this feel like it came from a Halifax team that genuinely loves this city? *If it sounds corporate, it doesn't go up.*

"The Wheeler Way" • Monthly Series

Monthly personality-forward post. Real Wheeler voice on a real Halifax topic. Not a listicle. Not a press release.

JUNE • *"I had three clients this week all ask me the same thing. Here's what I told all of them."*

JULY • *"The mortgage conversation I wish someone had with me when I bought my first place."*

AUGUST • *"What I actually think about rate predictions. And why I stopped making them."*

SEPTEMBER • *"Three things I tell every client who calls me in September."*

OCTOBER • *Year-end mortgage moves. Honest take.*

NOVEMBER • *"What I'm grateful for this year. And no, it's not just closings."*

DECEMBER • *Year-end reflection. What we learned. What we're watching for 2027.*

TWO RECURRING DEVICES

The team. *The sign.*

Two recurring brand devices show up throughout the year. The Wheeler Street Muppets treatment puts the team's real photos into a signature artwork register. The Wheeler Street sign marks milestones that earn the spotlight.

The Wheeler Street Muppets • The Team

The team treated in signature Muppet-style artwork from real photos. The single most recognizable creative on the Wheeler feed.

TEAM MEMBER	ROLE & CONTENT LANE
Matt Wheeler THE LEADER	The face of Wheeler today. Anchors The Wheeler Way, BoC reactions, most client celebrations, and team coordination posts.
Roger Wheeler THE FOUNDER	Matt's father, the original owner. Shows up in legacy moments, family-business content, milestones. Close to retirement, still important to the brand story.
Luke Jessiman JUNIOR BROKER	The next generation. Newer client celebrations and content signalling the team's growth. Reinforces that Wheeler is a team, not a one-person operation.

Wheeler Street Sign • The Milestone Marker

THE RULE

The sign should feel earned. Overuse kills the effect.

Reserved for milestones that genuinely deserve a marker. Client closing milestones. Cumulative achievements. Major Halifax market moments. Business anniversaries. When the sign shows up, the audience knows something real has happened.
