LENDRIFIC · TORONTO MORTGAGE BROKERAGE · ERWIN & AARYON

Market: Toronto and the GTA · Platforms: Facebook, Instagram, Google · Voice: Confident, transparent, tech-forward, modern

B R A N D I D E N T I T Y

This is not Erwin and Aaryon's content.
This is **Lendrific's** content.
The company is the brand.

Erwin and Aaryon are the faces of it. They bring it to life. But every post builds equity for Lendrific, not for two individual brokers.

By December 2026, Lendrific should be recognized as a distinct brand in the Toronto mortgage market. Tech-forward. Transparent. Fast. Built for how people actually buy homes in 2026. Not a brokerage that exists inside someone else's brand ecosystem. Its own thing.

Lendrific is the brand.
Built for 2026.
Toronto's own.

THE LINE

The bar. By December 2026, someone forwards a Lendrific post to a friend saying "you need to follow these people." That is the brand-building goal in one sentence.

WHAT LENDRIFIC IS NOT

Lendrific is a different category. Defining what it is **not** defines what it is.

- ✗ **Not Premiere-affiliated branding.** No #ChoosePremiere. Ever.
- ✗ **Not generic Toronto broker content.** Rates, pre-approval, call-to-action templates do not appear here.
- ✗ **Not old-school mortgage content** built around fear and complexity.
- ✗ **Not two individual brokers** who happen to have a website together.
- ✗ **No stock mortgage photos.** No handshake imagery.
- ✗ **Not a financial services company.** A brand people want to follow.

FOUNDER DYNAMIC

Erwin and Aaryon.

Two voices, one brand.

Both founders have a public presence, but they are not interchangeable. Their distinct angles create content variety and depth. They appear in content as the humans who built something they believe in. Not as personal brands competing with Lendrific.

- **Erwin's angle.** The operational and process side. What Lendrific's model actually delivers day-to-day.
- **Aaryon's angle.** The client relationship side. The why-we-built-this origin story.
- **Joint content.** One to two times per month maximum. Reserved for milestone moments, company announcements, or the monthly Lendrific Way post.

T H E M O N T H L Y A N C H O R

The Lendrific Way. What makes the model different. Not claims. **Demonstrations.**

Monthly deep-dive showing one specific thing Lendrific does differently. Twelve posts a year that, taken together, define the brand's product story.

T H E L E N D R I F I C W A Y

Show the thing. **Do not describe it.**

Confident, clear, modern. Not marketing language. Product demonstration language. Each month picks one specific differentiator and proves it in public.

SPEED

"From application to commitment in X days. Here is how we built a process that does not waste your time."

ACCESS

"Here is the lender matrix most brokers will not show you."

TECH

"How we use technology to get you better answers faster."

TRANSPARENCY

"Here is every fee involved in a Toronto mortgage. All of them."

SERVICE MODEL

"What actually happens after you sign."

The format. Show, do not tell. A screenshot, a timeline, a real number, a real workflow. Each Lendrific Way post should make a reader say "oh, that is different."

B R A N D - B U I L D I N G A R C

From January to December. Four quarters. One **brand**.

The year is a deliberate progression. Each quarter has a content priority. By December 2026, the Toronto market knows the name.

Q 1 • J A N T O M A R

Establish the Brand

PRIORITY: BRAND COHERENCE

What is Lendrific? Introduce The Lendrific Way series. Define the brand voice clearly. First 90 days are about coherence. Every post should feel like it belongs to the same company.

Q 2 • A P R T O J U N

Build Authority

PRIORITY: BOC DATA LEADERSHIP

BoC data leadership, market analysis, Toronto buyer education at depth. Lendrific becomes the Toronto source people share when BoC decisions happen.

Q 3 • J U L T O S E P

Differentiation

PRIORITY: STATEMENTS OTHERS WILL NOT MAKE

Lendrific Way case studies, technology and process deep-dives, founder perspectives on what the market gets wrong. Lendrific starts making statements other brokerages will not make.

Q 4 • O C T T O D E C

Recognition

PRIORITY: BRAND MILESTONE

Year-in-review, 2027 outlook, brand milestone content. By now, people in the Toronto mortgage market should know the name. The bar: someone forwarding a Lendrific post saying "you need to follow these people."

B O C C O N T E N T • T H E L E N D R I F I C P O V

Not reaction content. Analysis content.

Lendrific's BoC posts are data-forward and always filtered through the Lendrific lens. The antidote to breathless commentary. Lendrific speaks to sophisticated Toronto buyers who want analysis, not alarm.

THE FORMULA

- **What changed.** One sentence.
- **What the data says** about the Toronto market impact. Specific.
- **"Here is what this means** for the kind of client we work with."
- **The Lendrific angle.** What smart buyers do right now, given this information.

T O R O N T O M A R K E T C O N T E N T

Not first-time buyer basics. Toronto's buyer profile is more complex.

Investors, upsizers, condo-to-freehold moves, multi-property owners, complex income structures. Lendrific speaks to this audience, not the entry-level.

- "The Toronto buyer in 2026. What the numbers actually say."
- Pre-construction assignment market. The Lendrific take.
- Condo vs freehold in 2026. The real math.
- Investment property financing. What changed, what has not.
- Self-employed buyers in Toronto. The documentation reality.

PLATFORM STRATEGY

Three platforms. Three jobs.

Facebook

COMMUNITY + REACH

Brand community. Market content, Lendrific Way series, accessible versions of BoC analysis. Building an audience beyond existing clients.

Instagram

BRAND AESTHETIC + IDENTITY

Where Lendrific's visual identity lives. Clean, modern, consistent. Erwin and Aaryon as human faces. Short-form video for BoC reactions. Stories for quick market takes.

Google

TORONTO SEO + LONG-FORM

"Toronto mortgage broker," "Toronto mortgage rates 2026," "Toronto investment property mortgage." Lendrific should own these terms. Guides, explainers, market analyses.

MONTHLY RHYTHM

WEEK	CONTENT
Week 1	The Lendrific Way series. The monthly anchor demonstration.
Week 2	Toronto market content. Data-forward.
Week 3	Founder perspective post. Erwin or Aaryon, alternating.
Week 4	Brand or values content. What Lendrific stands for.

BoC weeks. Lendrific POV post within 24 hours across all three platforms. Non-negotiable. This is the content moment that builds the brand's reputation for timely, smart analysis faster than anything else.

H A S H T A G & B R A N D I D E N T I T Y

Every tag builds **Lendrific equity**. Not brokerage network tags.

- **Always.** #Lendrific, #LendrificWay, #TorontoMortgage.
- **Never.** #ChoosePremiere or any Premiere-affiliated tag.
- **Supporting set.** #TorontoRealEstate, #GTAMortgage, #TorontoBuyers, #YYZMortgage.
- **Founders.** When Erwin or Aaryon are tagged personally, the brand hashtag still leads.

V I S U A L I D E N T I T Y

Modern. Clean. **Distinctly non-generic.**

- No stock mortgage photos.
- No handshake imagery.
- No old-school financial services aesthetic.
- Lendrific looks like a brand people want to follow, not a brokerage.

T H E F I L T E R

Before posting, ask:

Does this build Lendrific?

Or could any Toronto broker have posted this?

If the latter, rework it.

LENDRIFIC

Lendrific is **the brand**.
Built for 2026.
Toronto's own.
