The annual plan turns presence-over-authority into a four-week rotation that holds across every month of *2026*.

Each month follows the same shape. Personal and community content leads. Education is plain-language, never jargon. Hockey and volunteer content appears naturally, minimum two posts a month. "The Community Mortgage" theme surfaces once or twice a month explicitly. The rest of the month, it is the undercurrent.

C O N T E N T P I L L A R M I X

PILLAR	SHARE	MONTHLY POSTS
Personal & Community	40%	Roughly five posts. Her primary differentiator.
Education (Plain Language)	30%	Three to four posts. Competence in human terms.
Social Proof & Referral	20%	Two to three posts. "Jennifer helped my whole family."
Local NS Life	10%	One post. Visual, seasonal, place-rooted.

The Community Mortgage. *The thread running through every month. Surfaces explicitly once or twice. Lives underneath everything else the rest of the time.*
